Objective

My objective is to advance my career as a researcher, contributing to the betterment of society by actively engaging with the latest technological advancements in the field of computer science and its applications.

Education

- 09/2022 – 03/2026 **Zhejiang University, China**
Ph.D. Degree in Software Engineering
Thesis Title: *Research on Generative Frameworks for Realistic 3D Human Motion and Mesh Reconstruction*
Obtained Marks: 640/700 - 91.42%
- 09/2019 – 07/2022 **Northeastern University, China**
Master's Degree in Software Engineering
Thesis Title: *Research on Serendipity-Oriented Personalized Trip Recommendation Model*
CGPA: 3.75/4.00 - 93.25%
- 09/2014 – 08/2018 **University of Engineering and Technology Peshawar, Pakistan**
Bachelor's Degree in Computer Software Engineering
Thesis Title: *Emergency Alert Hospital App*
CGPA: 3.28/4.00 - 82.00%
- 05/2012 – 07/2014 **Institute of Computer and Management Sciences College, Pakistan**
Intermediate in Pre-Engineering
Obtained Marks: 904/1100 - 82.18%
- 03/2010 – 04/2012 **Al-Abbas Science School and College, Pakistan**
Matriculation in Science
Obtained Marks: 926/1050 - 88.19%

Employment History

- 10/2024 – 02/2025 **Alipay Information Technology Co., Ltd., Intern**
Responsibilities: *Conducted research and analysis on embodied intelligence*
Location: *Hangzhou, China*
- 06/2024 – 09/2024 **Hangzhou Pixel Leap Technology Co., Ltd., Intern**
Responsibilities: *Researched emotion recognition for mobile app development*
Location: *Hangzhou, China*
- 10/2021 – 04/2022 **BMW Brilliance Automobile Ltd., Intern**
Responsibilities: *Developed a web platform for internal team use*
Location: *Shenyang, China*
- 09/2020 – 03/2021 **NEUSOFT, Intern**
Responsibilities: *Built an eCommerce platform as part of the internship final project*
Location: *Shenyang, China*
- 07/2018 – 08/2019 **Globalink Logistics, Web Application Developer**
Responsibilities: *Worked on the company's ERP system*
Location: *Islamabad, Pakistan*

Honors and Achievements

2026	📖	Honorary Title of Outstanding International Graduate of ZJU in Class 2026
2025	📖	International Student Honorary Title of Research Excellence of ZJU in Academic Year 2024/2025
	📖	Second Position in International Track of the 7th Huawei Cup China AI Innovation Competition
2024	📖	International Student Honorary Title of Academic Excellence of ZJU in Academic Year 2022/2023
2022	📖	Chinese Government Scholarship for PhD Degree
2021	📖	Certificate of NEU Outstanding International Student Award of 2019/2020 Academic Year
2019	📖	Chinese Government Scholarship for Master's Degree
2018	📖	Final Year Project Implementation Certificate at UET
2017	📖	Laptop and Zong Evo Wingle from Prime Minister Scheme for UET Talented Students
2016	📖	Programming Competition Certificate at UET

Seminar and Conferences

2025	📖	Perceiving China – Doctoral Academic Exchange Conference at Wuhan University
2024	📖	Global AI Technology Conference at the Hangzhou Academic Exchange Center
2016	📖	INARA Seminar for Network and Programming at UET Peshawar Mardan Campus

Skills

Organisational Skills	📖	Presentation and Public Speaking Active Listening and Perseverance Teamwork Written and Oral Communication Creativity and Problem Solving
Interpersonal Skills	📖	I acquired Interpersonal skills by being involved in planning experiments and communicating the results with my supervisor and teammates.
Coding	📖	Python PyTorch TensorFlow C C++ PHP MySQL HTML CSS JavaScript jQuery AJAX Spring Boot VB.NET Vue.js LaTeX
Frameworks & Tools	📖	MobaXterm Overleaf VS Code Jupyter Vtiger CRM Linux
Languages	📖	Excellent: English Fluent: Urdu, Saraiki Conversational: Chinese, Pashto
